“More Than Just School Camps”

## Junior Primary Camps and Experiences

### Our Philosophy

We believe camps provide valuable educational and life experiences for young people.

We delight in bringing our experience and expertise to create opportunities for young people at every year level to make meaningful connections with people and place.

### Our Camps

**Programs**  
Our programs develop **student's knowledge**, understanding and skills to strengthen their sense of self, and build interpersonal relationships.

Using content with links to many Australian Curriculum Areas our program activities focus on learning by doing, discovering by experiencing and taking on challenges by choice.

**Catering**  
We believe the kitchen is the heart of any camp and dish out plenty of freshly prepared food at mealtimes that are tailored to meet **SA's Rite Bite** guidelines.

Our catering staff are down to earth, friendly and helpful in the way they interact with you and your students
