“More Than Just School Camps”

Camps for Middle Primary Years

Our Philosophy

We believe camps provide valuable educational and life experiences for young people.

We delight in bringing our experience and expertise to create opportunities for young people at every year level to make meaningful connections with people and place.

Our Camps

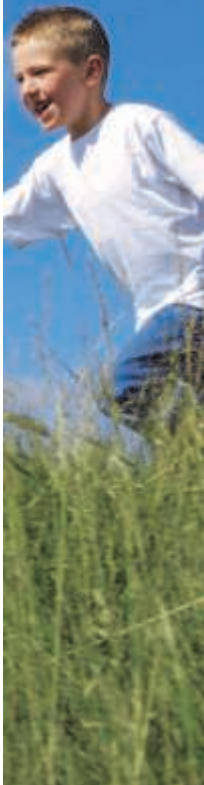

Programs
Our programs develop **student's knowledge**, understanding and skills to strengthen their sense of self, and build interpersonal relationships.

Using content with links to many Australian Curriculum Areas our program activities focus on learning by doing, discovering by experiencing and taking on challenges by choice.
