# Emergency Management Plan

1. Provide immediate first aid assistance or care prescribed by an individual health support plan and/or isolate any person with an infectious disease.
2. Call 000 and advise emergency services of the closest vehicle entry point.
3. Ensure communication with emergency services is maintained and all relevant information is provided.
4. Send an employee or volunteer to the point where emergency services will enter the location, if it is safe to do so.
5. Collect the attendance list, individual health support plans, parent contact details and this plan.
6. Evacuate all people to the nominated emergency assembly point.
7. Once at the assembly point, check all people are accounted for.
8. Maintain a record of actions and decisions undertaken and timeline of events.
9. Report the emergency/evacuation to the site/service leader by using the agreed form of communication i.e. mobile phone.
10. Site/service leader must:
  - Notify Education Director
  - Report the incident using the department's incident and report management system.
11. Wait for emergency services to arrive or provide further information/instruction.
12. Site/service leader to contact parents.
